

FBA Carline Procedures!

Morning Carline

Pre-K students will unload under the Preschool Drop-Off ★ during our morning carline time (see map below). We will have staff members at the door and in the building to assist them with drop off. Pre-K families will need to enter the FBA driveway from Ewing Road. Pre-K families MUST sign in your child with the teacher in carline. After dropping off your Pre-K student, you will merge with the elementary carline between the Main Worship Center & the Family Life Center. All other Lower, Middle, & Upper school families will enter from Sharp Road. K-5th families will continue unloading in the regular spot. ★ Middle & Upper School families will **NOT** turn left by the Family Life Center, but will pull by the curb & unload your students behind the FLC. ★ They will proceed down the stairs into the gym.

Families should drop-off in their YOUNGEST STUDENT'S designated location!

Afternoon Carline

A-M Carline families will split into 2 lines, based on the students' last name. The families whose students' last name begins with **A-H** will pick up on the left and the families whose students' last names begin with **I-M** will pick up on the right. (See map below.)

N-Z Carline families will begin on Sharp Rd. You will drive past the FBA field & parking lot and will drive to the stop sign. Turn left on Drexel Dr. Then, you will turn left on Ewing Rd. and enter our campus at the back of the N-Z Carline. **Please do not begin lining up until 2:55pm.**

Remember to always follow the directions of the FBA staff members!
